**HEARTS
AT HOME**

"Hearts At Home" is focused on those in our congregation who are not physically able to attend church gatherings for an extended period of time. These valued members of our church family need the assurance that they are not forgotten.

Options for connecting through this ministry include:

- Making and/or mailing cards for birthdays and holidays
- Mailing copies of the church bulletin & newsletters
- Making phone calls
- Making personal visits

If you would like to help us connect with these important members of our church, or if you know of a member that is homebound that would appreciate more fellowship, please email hearts@fellowshipplh.com for more information.
